

## EDUCATION

உண்மை, தாய்மை, சுயநலமின்மை ஆகிய இந்த மூன்றும் எங்கெல்லாம் காணப்படுகின்றனவோ, அவற்றைப் பெற்றிருப்பவர்களை கெடுக்கக்கூடிய ஆற்றல் விண்ணில்கிலோ மண்ணில்கிலோ கிடையாது. இந்த மூன்றையும் பெற்றுள்ள ஒருவனை பிரபஞ்சம் முழுவதும் எதிர்த்து நின்றாலும், அதை எதிர்த்து நிற்கக்கூடிய ஆற்றல் அவனுக்கு உண்டு.

- சுவாமி விவேகானந்தர்

Truth, purity and unselfishness – whenever these are present, there is no power below or above the sun to crush the possessor thereof. Equipped with these, one individual is able to face the whole universe in opposition.

- Swami Vivekananda

## A BRIEF HISTORY OF THE ORIGIN AND DEVELOPMENT OF GOBI ARTS & SCIENCE COLLEGE, GOBICHETTIPALAYAM

The seeds for starting the Gobi Arts College (presently known as Gobi Arts & Science College) were sown by Amarasri. K.M. Ramasamy Gounder, an eminent educationist and Member of the Legislative Assembly who had served as the Headmaster of the Diamond Jubilee High School. As the result, an Educational Agency in the name of the Gobi Arts College Council was formed in the year 1967.

The nucleus fund for starting the College came in the form of a generous donation of land worth Rs. 2 Lakhs from munificent brothers Sri. S.N. Anantharaman and Sri. S.N. Devarajan, the sons of the philanthropic minded landlord Amarasri. S.D. Narayanaswamy Iyer.

The institution had its infancy on the premises of Diamond Jubilee Higher Secondary School and was assiduously nurtured by the erudite and sagacious duo Amarasri. K.M. Ramasamy Gounder and Amarasri. A.R. Somasundaram, a leading advocate and the Correspondent of the DJHS.

When the search was on for a permanent place, a generous gift of 10 acres of land adjoining the Silver Hills near Karattadipalayam came from the Founder Secretary of the Gobi Arts College Council Amarasri. K.A. Muthuswamy. Sustained efforts by the founding fathers yielded another 30 acres from the Government and other land owners adjoining the Silver Hills, thus making the new campus a sprawling 45 acres in extent.

Under the able and dynamic leadership of Amarasri. K.M. Ramasamy Gounder and Amarasri. A.R. Somasundaram with admirable assistance from a large number of donor members and the Secretary Amarasri. K.A. Muthuswamy, the College started functioning from 11<sup>th</sup> July, 1968 with Pre-University classes. On 30<sup>th</sup> July, 1968, the College was formally inaugurated by the then Minister for Education Dr. Navalar V.R. Nedunchezhiyan. In the next year itself, the College was upgraded as a first grade college with the introduction of B.A. Economics and B.Sc. Mathematics.

Destiny dealt a severe blow to the march of the progress of the College due to the sudden and sad demise of Sri. K.M. Ramasamy Gounder followed by the passing away of Sri. A.R. Somasundaram. Notwithstanding these calamities, the rest of the founding fathers rallied around the new President Amara Dr. K.S. Janakarathnam, in his efforts to speed up the progress of the institution, starting of new courses and construction of new buildings. With the co-operation of all the Council members, the then Secretary Amara Sri. K.A. Muthuswamy, the then Principal Prof P.N. Silambannan and the Staff, the President was able to collect an amount of Rs. 5 lakhs during 1976-77 which laid the solid financial foundation for the College.

With the financial crunch left behind, new courses like B.Sc., (Chemistry) in 1974, B.Sc., (Physics) and B.Com. in 1975 were added as also new buildings to accommodate the new courses and a well planned Hostel in the year 1975. Co-education was introduced in 1976 to facilitate the bright young girls who could not go out of the area to continue their studies, and also the Semester system in 1976.

Further, courses like B.Sc. (Botany) and M.A. (Economics) in 1979, M.Com. in 1980 and M.Sc. Maths in 1982 were started. BBM was introduced in 1984-85. In the same year, the evening college was started with the introduction of B.Com. course. Keeping in mind the varied needs of the academic field, courses viz., B.Sc. (Computer Science) (1985-1986), Post - Graduate Diploma in Computer Applications (1987-1988), Master of Computer Applications (1988-1989) B.C.A. and B.Com. (C.A.) (2000-2001), M.Sc. (Computer Science) (2003-2004.), B.A. English Literature, M.Com. (C.A.) (2004-2005), M.Sc. Physics (2005 - 2006), B.Sc. (Phy - CA) (2006 -07), B.Sc. (IT), M.Sc. (IT), and M.A. (English Literature) (2007 - 2008) and B.Sc. (CT) (2009 - 2010) B.Sc. (Maths Unaided) (2015-16), B.Com. (PA) (2015-16), M.Sc. (Chemistry) (2015-16), and B.A. Tamil Literature (2018- 2019) have been offered.

The Departments of Tamil, English, Economics, Mathematics, Physics, Commerce, Computer Science, Management and Political Science have been upgraded as research departments, offering part - time and full - time M.Phil. and Ph.D. programmes.

Thanks to the magnanimity and involvement of M/s. Sakthi Sugars Ltd., a sum of Rs.5 lakhs was received to construct the Library and Computer Science Block which is named after Thiru. P.G. Karuthiruman. The progress of the institution is maintained in a high tempo, even though no capitation fee was collected from students. By the efficient financial management of the College Council and the generosity of the persons who helped in procuring liberal donations, additional buildings for Mathematics PG Department and Economics Department were completed without much difficulty. After relinquishing the office of Presidentship by Amara Dr. K. S. Janakarathnam, who had successfully completed an eventful period of 17 years, Sri. P. Karuppannan B.A., B.L. a leading advocate took over the Presidentship. With the able assistance and guidance of the Founder Secretary Amara Sri. K.A. Muthuswamy, the College continued its growth with the construction of the First Floor of the Hostel during the year 1989 - 90 and Auditorium and Canteen in the year 1991.

In tune with the progress of times, the College became Autonomous in 1987. As a mark of completing 25 years of dedicated service to the people of this area, a Silver Jubilee building to house the college Library and class rooms was constructed in the year 1996.

After the demise of the Founder Secretary Thiru. K.A. Muthuswamy on 2-1-1998, Thiru. K.M. Natarajan, B.A., B.L., a leading advocate assumed office as Secretary & Correspondent in January 1998. After resignation of Thiru. K.M. Natarajan, Thiru. M. Dharanidharan M.F.T. assumed office as Secretary & Correspondent in February 2016.

With two eminent personalities at the helm of affairs, the institution has been witnessing many developments.

A separate block consisting of Computer Centre, Administrative Block and Conference hall was constructed in the year 1998. Thiru S.V. Balasubramaniam, Chairman of Bannari Amman Sugars Limited magnanimously donated Rs.15 lakhs for the development of the institution. The construction of the Botany wing, men students' toilet, Non - residential women students' centre and extension of canteen had also been added to the infrastructure during 1999 - 2000. The construction of the Second floor of the main building was completed

during 2000-2001. An annexure to the existing canteen measuring 600 sq. feet was added during 2000-2001.

A separate new building was constructed under the M.P. Constituency Development Fund during the year 2001-2002 and the construction of 15 class rooms was completed in the same academic year.

Adding to the ambience, a Vinayagar Temple was constructed during 2002-2003. A spacious hall for Meditation and Yoga Training measuring 4100 sq. ft. and eight class rooms were constructed in the same academic year.

The library was expanded by 16,840 sq. ft. and was named after the former President of the College Council Dr. K.S. Janakarathnam. An internet browsing centre is operational in the library.

To make education more effective and learner centric and ensure flexibility in choosing intra and inter disciplinary subjects according to the choice of the student, the Choice Based Credit System (CBCS) was introduced in the academic year 2003-2004.

The College is a recognized IGNOU Study centre offering B.Com. and M.Com. courses from the academic year 2005-2006. It is also accredited to conduct coaching classes for the Common Proficiency Test (CPT) and Professional Competence Course (PCC) by the Institute of Chartered Accountants of India, New Delhi from the academic year 2005-2006. The Centre for Civil Service has been functional from the year 2008 - 2009.

The UGC has accorded approval to the Commerce and Computer Science departments to conduct the Career Oriented Programmes – “Taxation” and “Web page Designing” respectively. The Institution is also the member of the CII (Confederation of Indian Industry) and EDISSIA (Erode District Small Industries Association).

### CHOICE BASED CREDIT SYSTEM (CBCS) GUIDELINES AND REGULATIONS

To make education more effective and learner centric, restructurisation of curriculum becomes essential. As a positive step in this direction, it was decided to introduce the Choice Based Credit System (CBCS) from the academic year 2003-04. Under this system, the academic programme becomes student-oriented, relevant, interdisciplinary and flexible. Apart from the core subjects offered by the departments, the student is at liberty to choose subjects of his/her choice offered by other departments also. Besides, the student has an opportunity to learn extra subjects, for which classes will be conducted outside the regular working hours and he/she can earn extra credit in addition to the mandatory credits required of him/her to qualify for the degree.

#### I. General Objectives of CBCS

- ☒ To enlarge and enrich the curriculum and to make education broadbased, i.e., more knowledge and skill oriented.
- ☒ To ensure flexibility in choosing intra and interdisciplinary subjects, according to the choice of the students.
- ☒ To enable the interested students to earn extra credits.
- ☒ To facilitate the students to learn at their own pace.

## II Definitions and explanations of concepts/terms

<b>Credit</b>	: The weight assigned to each paper/subject, based on the quantum of work required of a student.

#### **VI Faculty Advisor**

To help the students to plan their optional papers of study and to offer general advice on the academic programmes, a student will be assigned to a member of the faculty (Major Dept) who will function as “Faculty Advisor” throughout his/her period of study.

The Faculty Advisor will counsel students on matters relating to the choice of subjects, withdrawal, etc. The student will meet his/her Faculty Advisor at least three times during the semester.

#### **VII Departmental Committee**

Every major department will have a Departmental Committee consisting of

1. The HOD - Convenor
2. The faculty advisors of the department
3. Student representative of each class

The departmental committee is to meet at least thrice a semester to review all matters relevant to the academic programme. It is the responsibility of the HOD to keep the records, viz., the Agenda, Notes, Minutes, and Diary, etc.

#### **VIII Registration procedure for optional subjects**

- ♦ Registration for the optional subjects should be done with the subject teacher in consultation with the Faculty Advisor.
- ♦ Students are expected to register for subjects intended to be credited during the next semester on specified dates in the current semester and obtain the initials of the subject teacher on the registration card. For semester I, they will register at the beginning of the semester.

- ♦ Students are permitted to withdraw from a subject for valid reasons after one week of its commencement, on the recommendation of the Faculty Advisor with the consent of the Head of the Department of the student.
- ♦ Students may register, with the approval of the subject teacher concerned, for another subject in lieu of the subject from which they have withdrawn, during the second week of the semester subject to the availability of vacancy.

#### **IX Minimum requirements for the U.G. and P.G. degree courses**

##### **a) Credits:**

A student must necessarily complete and earn a minimum of 146 credits (Parts I, II, III, IV & V) to qualify for the Under-Graduate Degree.

A student must earn the minimum credits allotted to each of the P.G. degree programme to qualify for the degree. In case of M.C.A., M.Sc., (CS), M.Sc. (IT) and PGDCA programmes, students have to complete the programme within 6 years (MCA), 4 years and 2 years respectively.

##### **b) Attendance :**

- (i) A student will be permitted to take the End of Semester Examinations provided he / she has a minimum of 75% attendance. If his / her attendance is between 65% and 74%, he /she will have to apply for condonation of the shortage of attendance on payment of a prescribed fee. However, the power to condone or to deny condonation of shortage of attendance rests with the Principal.
- ii) In case the shortage of attendance of a student exceeds the limit prescribed for condonation of attendance, he/she will not be permitted to appear for the End of Semester Examination.
- iii) Those students, who could not write the End-of-Semester Examination can continue their studies in the subsequent semester. However, the student with less than 50% of attendance in any semester will not be allowed to continue his/her study in the subsequent semester and he/she will be permitted to rejoin the semester where the attendance is less than 50% and continue the course.

- iv) Deficiency of attendance in one semester shall be compensated in the subsequent semester such that the combined attendance for any two semesters will be taken into account for determining the eligibility of a student to be permitted for the EOS Examination.
- v) A student will be given only one opportunity to carry forward the deficiency in attendance of one semester during the degree course, failing which he/she has to re-do the course with the permission of the University.

**c) Number of appearances**

- ♦ The candidates with arrear in one or more subjects in U.G. Courses shall be given six chances including the first appearance, (except Part -I Tamil) to be taken successively under the same syllabus, i.e. The syllabus that obtained at the time of first appearance. In case of candidates having arrears after availing six chances, they shall have to take up their examinations under the syllabus then in force. In respect of Part - I Tamil, candidates with arrears shall be permitted to have two chances only, including first appearance under the same syllabus.
- ♦ The candidates with arrear in one or more subjects in P.G. Courses (Two year courses) shall be given four chances including the first appearance, to be taken successively under the same syllabus, i.e. The syllabus that obtained at the time of first appearance. In case of candidates having arrears after availing four chances, they shall have to take up their examinations under the syllabus then in force.
- ♦ If a Candidate of MCA does not complete the course successfully within a period of 6 years (3+3 years i.e. 12 semesters) from the date of his/her joining, he/she will have to re-register and re-do the full course.
- ♦ If a candidate of M.Sc. Computer Science and M.Sc. (IT) does not complete the course successfully within a period of 4 years (2 + 2 years i.e. 8 semesters) from the date of his / her joining, he/she will have to re-register and re-do the full course.
- ♦ If a candidate of PGDCA does not complete the course successfully within a period of 2 years (1+1 year i.e. 4 semesters) from the date of his/her joining, he/she will have to re-register and re-do the full course.
