## CORE VALUES OF THE INSTITUTION

### **Pursue of Academic Excellence**

In addition to higher grades and academic competence, the institution strongly motivates its students to utilize their intellectual capacities to serve the humanity.

### **Skill development**

As skill development is an important tool to achieve targets, the academic framework has been designed to impart both hard and soft skills to empower the students.

### **Diversity**

The institution respects the ideas, perspectives, experiences and culture of diverse stakeholders in its progress. Students from such environment learn to respect and cherish the differences on various grounds.

### **Perseverance**

In order to equip the students to overcome their obstacles, the institution provides ample opportunities for them to cultivate the attitude of perseverance.

### **Compassion**

The institution highly insists its students, faculty and supporting staff to widen their circle of compassion and to embrace all living creatures with equal importance.

### **Growth**

The students are encouraged to look forward for new opportunities in broader areas of their specializations as the institution strongly feels that growth is not a destination but a process.
